## **Sasol Inzalo Foundation bursary applications open for 2017 for rural and township learners**

Sasol Inzalo Foundation is inviting bursary applications for 2017. Applications opened on 19 November 2016 and will close on 4 December 2016.

Established in 2008, the Sasol Inzalo Foundation bursary programme targets learners in rural and township areas who aspire to study towards a Degree or a National Diploma in Science and Engineering.

Qualifying learners have the option to study at any registered public university in South Africa, including universities of technology.

To apply, learners must SMS the keyword 'Inzalo' to 33162 at the cost of R1, 50 per SMS. Candidates must ensure that they have enough airtime before starting the application process. A minimum of R28 airtime is advisable.

Correspondence will only be done via the cell phone system due to the convenience and high penetration of this form of communication as opposed to the internet. Only applications made via SMS will be considered.
